## RedFlow appoints Non-Executive Director

RedFlow Technologies Ltd is pleased to announce the appointment of Mr. Peter Pursey AM as a non-executive director.

Peter is an experienced company director, holds an MBA and is a Fellow of the College of Defence and Strategic Studies. His background in organisation management and leadership spans the manufacturing, resources, pharmaceutical and defence sectors. He holds an Order of Australia (AM) and has managed a number of large organisations including a prior position as Commandant of the Royal Military College, Duntroon.

His current public company board experience includes:

- Non-executive director of Austin Engineering Limited, a very successful international mining services manufacturing company. (ASX Code: ANG)
- Non-executive director Luminex Australia Limited (parent Luminex Corporation, Nasdaq; LMNX)
- Chairman, Eustralis Pharmaceuticals Limited an Australian drug development company in the traumatic brain injury field.

RedFlow Chairman Phil Hutchings, said: "We welcome Peter's addition to our board. His experience will be useful as RedFlow accelerates its growth phase in Australia and internationally. His appointment strengthens our corporate governance as our shareholder base continues to grow following our recent round of capital raising."
